2  title: "📅 Weekly Summary: May 9-15, 2026"
3  date: 2026-05-16
4  draft: false
5  summary: "What I managed to accomplish this week: Linux course, first bash script, and Hugo
6  tags: ["weekly", "learning", "linux"]
7  categories: ["Diary"]
8  ---
9
10 # What Happened This Week
11
12 ## 🐧 Linux
13
14 - Completed the "Introduction to Linux" course on Stepik
15 - Earned a certificate with a perfect score
16 - Wrote my first useful bash backup script
17
18 ## 🌐 Website
19
20 - Configured my Hugo website
21 - Added a projects page
22 - Published this post
23
24 ## 📅 Plans for Next Week
25
26 - Learn Docker
27 - Write a post about scientific programming languages
28 - Add two more projects to my portfolio
29
30 ---
31
32 *What did you accomplish this week?* 😊

```
